

**Lost Creek Wind, LLC**  
**Positive Energy Scholarship 2023-2024**

**Description**

The Lost Creek Wind Positive Energy Scholarship is intended to support students who have improved the lives of those around them in their community and who have gone above and beyond expected practices. The scholarship is presented to high school seniors who show exceptional academic performance and outstanding promise in pursuing technical, associate, or bachelor's degrees. Scholarships are awarded on a competitive basis.

**Award**

A one-time scholarship toward tuition and educational expenses.

**Student Eligibility Requirements**

The positive Energy Scholarship is designated for high schools within a school district either partially or fully located in a county where the Lost Creek Wind energy facility is operated. The total amount of the \$6,000 will be split evenly between three scholarship recipients each year. However, if three eligible students do not apply, the full base amount may be awarded to two or a single student.

The scholarship is intended for 12<sup>th</sup> grade seniors progressing normally toward graduation and planning to enter college no later than the fall of 2024. The student should possess a clear goal of desiring to make his/her community, environment or world a better and more sustainable place to live. The student must display outstanding leadership, excellence in academics and extracurricular activities. Judging will be based on a number of factors, including:

- A minimum GPA of 3.0
- Acceptance to a four-year university, community college or technical school
- History of community involvement and participation in extracurricular activities
- A strong potential for a successful college experience

Applicants will not be discriminated against on the basis of sex, race, religion or national origin. Residence within the project boundary will not increase or decrease a student's chances of receiving the scholarship.

**Required Materials**

The deadline to apply is **April 1, 2024**

- Enclosed application form
- Description of your involvement in your community and school
- Description of extracurricular activities
- A One-page essay describing:
  - How you will change the world around you
  - OR
  - How you chose your major

**To Redeem Scholarship**

Scholarship funds will be provided directly to the high school, for payment to the recipient and/or university.
